

*Humans what a joke  
God creatures great and small.*

Dear FDA Commissioner,

I am writing to urge you to ban the slaughter of "downed animals"  
(animals too sick even to stand) for human food by granting the petition filed on  
behalf of Farm Sanctuary and assigned docket number 98P-0151/CPI.

It is shocking and upsetting that animals who are too sick even to stand are  
being used in the human food supply. This irresponsible practice is a threat to  
human health, and it should be stopped.

Please act immediately and appropriately to remedy this problem.

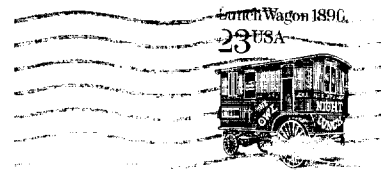

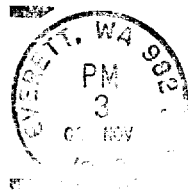

*animals have been abused  
since the world began start caring  
for something other than yourself.  
or someone besides yourself.*

Sincerely Yours,

*Yvonne Baker*
